NOTE

Your water will be cut on at the date and time as requested pending unforeseen problems. Please ensure that all inside water connections are closed as the City of Bremen will not be responsible for any water damage or inside flooding mishaps that may occur when your water is turned on. All meters are radio read around the 20th of the month and bills placed in the mail on first of each month. There will be a service charge for late payment as marked on your water bill. Failure to receive a bill will not absolve you of your payment responsibility. Your water account will be considered delinquent after forty five days from the date of billing and will be subject to termination of services. There will be a re-connection fee to re-establish water service. Any tampering with the water meter will result in citation and court costs.

I verify that I have given truthful information and have read the terms of my water service:
